Dear Mr. Krempp:

I would like to take this opportunity to congratulate you and your staff for the superb job of construction of Jasper City Hall and the Jasper Police Station. These two new buildings are beautiful additions to our city, and are monuments which will serve our citizens for centuries to come.

It was a pleasure to work with a company who incorporated our needs and suggested into an exquisite finished product. We are especially pleased with the expert craftsmanship and the attention to detail.

Again, thank you for a "job well done" and I would highly recommend your company to other entities who are in need of construction work.

Sincerely,

Mayor William J. Schmitt  
City of Jasper
