RE: Schergens Center of Tell City

Dear Mr. Krempp:

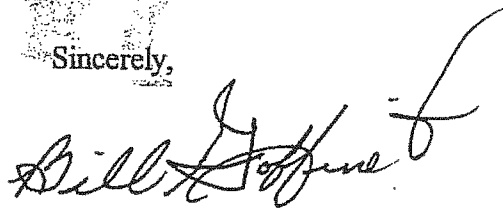

Although this letter is somewhat belated in being sent to you, I wanted to take this opportunity to thank you, all the members of your staff, your superintendent and all employees, for the wonderful job they did in the construction of the Schergens Center of Tell City.

All of our citizens, who have had the opportunity to visit the facility, are extremely proud of the Schergens Center. More importantly, I believe, is the many compliments we have received on the fine quality of the materials and workmanship that went into the Schergens Center. I have not hesitated in telling people that the work was done by your firm and also the excellent cooperation we received from everyone involved with Krempp Lumber Company.

Please do not hesitate to put me on your list of those persons to contact if anyone should want to know the type of work performed by Krempp Lumber Company. I will be more than happy to tell them in all honesty, of the excellent job you did on the Schergens Center of Tell City.

Again, thank you.

Sincerely,

Bill Goffinet, Mayor  
CITY OF TELL CITY
