

NAVFAC MW 2013 Contractor of the Year STAR Safety Award Certificate

Presented to:

Krempp Construction, Inc

In recognition of your loyal commitment to safety initiatives, performance and processes, Krempp Construction is hereby presented with the NAVFAC MW 2013 Contractor of the Year STAR Safety Award. During FY 13, Krempp Construction completed multiple contracts valued in excess of \$10.4 million with zero reportable safety incidents. The work completed by Krempp Construction this past year has been diverse including the completion of bridge replacements, electronic test equipment lab renovations, renovations to the waste water treatment plant, and most significantly, the explosion and storm damage recover to CAAA's Building 126. Your work on the CAAA repairs of the \$4.8M building was phenomenal. Your willingness to be flexible enabled this project to be completed under budget and "ahead" of an extremely tight schedule.

Bravo Zulu on a job well done.
